

## **EGB Activities List**

### **Park a Park**

Overview: Create a mini green park in a parking spot for 1 day. Pay the meter and bring in rolled grass, put up an umbrella, bring in some lounge chairs, bring a pet. Have signs that say something like “Imagine what it could be like if you didn’t have to drive” and “Got Green Space?”

Setup: Inform the City of what you’ll be doing, when you’ll be doing it. Make sure it doesn’t inflict with any local or county laws or ordinances. Make sure you do not need a permit to ‘gather’. Make sure this will not interfere with parking enforcement, 2-hour limit spaces, etc. Be sure to pay the meter all day or get a waiver from the City. Inform the local media about what you’re doing.

Activity: Take turns chilling out in your miniature park all day. Be sure to find a high-profile spot in the middle of walking and driving traffic. Be sure to have legible signs out to show your cause. Have handouts with links to your website or a flyer with more information about what you’re doing. Create a scene during the busy lunch hour!
